FURTHER INFORMATION:

The Surrey Classic Vehicle Club has been invited back to display our cars to the residents of this lovely nursing home for their 'Picnic in the Park' Event. This is a delightful setting with really friendly staff, residents (and of course their families) who last year welcomed us and showed great interest in our vehicles, and provided us with refreshments.

No registration is required, but we will need to indicate to the organisers the numbers of vehicles that we will bring, so please indicate your intention to join the event by contacting Phil or Jeannie either by email or at any Club Night.
