FURTHER INFORMATION:
Epsom Riding for the Disabled provide opportunities for disabled people to improve their health and wellbeing through the therapeutic power of horses. They are a charitable organisation holding sessions exclusively for disabled people, seven days a week including evening sessions. Each session is led by an experienced Session Leader supporting a qualified Group Coach and a team of volunteers.

As with all charities fund raising is vital so it would be absolutely wonderful for the Surrey Classic Vehicle Club to support this charitable organisation in the work that they do with those less fortunate than many.

The organisers have expressed their gratitude that we have agreed to support them and have offered to provide refreshments to our members.
