Magnificent Motors is established as one of the biggest motoring spectacles on the South Coast. Car enthusiasts gather to showcase their diverse range of prized vehicles from classic cars to motorbikes – there is something for everyone!

Individual Entry is on a first come, first served basis, and once capacity is filled, a waiting list will operate. Please note that due to significant increases in costs (such as portaloos, etc.), the organisers are no longer able to maintain the event free of charge to exhibitors. Thus, there is a small fee of £5 per vehicle, per day, payable on registration.

Please ensure that you select the appropriate category for your vehicle entry and ensure you have selected the correct day for attending.
