

Dear Club Member,

Welcome to your 2026 “Events Calendar” where once again, we aim to bring you a varied array of events. Hopefully, there is something for everyone, and the weather will be kind to us and make this a bumper year.

You will notice that this year, we have split the events into two distinct groups on two separate schedules: ‘Club Events’ and ‘Other Events’. We urge you to let us know which events you are hoping to attend since this helps us and the event organisers immensely with planning.

- **‘Club Events’** are those where we, as a club, can block book space so that we can all sit together. When we receive updates on these events, we will communicate these directly to you via email but **only** if you have registered your interest through the ‘Events Calendar’.
- **‘Other Events’** are those that we think might be of interest to you. We will assist you in making bookings wherever possible, but it is unlikely that we will be allocated a reserved space for us all to exhibit our vehicles together. For these events, we will provide updates through the Information Sheets and of course through the Club Newsletters.

Information Sheets can be found by following this link:

<https://www.surreyclassicvehicleclub.com/events-list>

These sheets will provide details on how to register for all events and any further information provided by the organisers. So please ensure that you check back for the latest information before attending an event.

So, to summarise, we will provide you with as much information as possible about all events (‘Club’ and ‘Other’) and will update the Information Sheets on the Club website for each event when we receive further information. For ‘Club Events’, we will also email you directly with any updates but only if you have told us that you are interested in attending,

Letting us know which events you are interested in is easy, you can either:

- Print and ‘Tick’ the Events in the ‘Tick’ column (✓) and email this to either Phil or Jeannie
- Print and hand the completed Events Calendar to Phil or Jeannie at Club Night
- Since we have retained the Event Numbers on the Events programmes (extreme left-hand column) so you can use our “No Printer, no Problem” option - simply send an email to Phil or Jeannie with a list of the numbers of the events you are hoping to attend

Ideally, we would like to receive your completed Events Calendars before the season gets under way as this helps everyone with planning. Please be assured that if you have “ticked” a particular event, it does not mean that you are committed to attend. We realise that things change so, if after you have submitted your completed Events Calendar, you find that you are unable to attend one of the Club Events this is not a problem however it would be helpful if you could let us know so we don’t hold an excess number of spaces.

Surrey Classic Vehicle Club

Events Calendar for 2026

Please note that individual email updates will **only** be sent in respect of 'Club Events' where you have registered an interest. They will **not** be sent in respect of 'Other Events'; the latest information for these events will be added to the Information Sheets on the website and of course communicated via the monthly newsletters.

As ever we would welcome your feedback on all the events, so please let us know your views, whether good or bad.

Contact details for your events Coordinators are given below –
