FURTHER INFORMATION:

The Classic Car & Bike Show is a charity event where everyone can feel welcome and enjoy the day. The public come for a great family day out without paying the earth to get in and all entry donations go to charity. There's plenty for the whole family to see and do - not just cars and bikes, but live entertainment including music, dance displays, children's entertainment and a variety of stalls.

The show also celebrates the winners of the different classic car and bike categories with a trophy presentation during the afternoon. Dogs are welcome as long as they are on a lead and that you take full responsibility for their care (providing them with water, shade and anything they may require for the day).

Note: Vehicles must be registered prior to 2002.
