**FURTHER INFORMATION:**  
For 2026, we are trying something new. This year, we will meet at the Fairmile (where we hold Club Nights) and then drive a route (at your own pace) to the Lunch Venue – The Ragged Robin.  
The Club has prepared a route that goes from the Fairmile via a convenient coffee stop at Maddings Café near Cranleigh, and then on to the lunch venue itself. The entire route is a little under 60 miles and you have the choice of driving the whole route, the last half (from Maddings Café to the Ragged Robin), or simply just drive to the Ragged Robin to meet the rest of the club for lunch. Tulip maps will be available for those that are interested.  
The lunchtime slot is reserved for 3pm and a deposit of £10 per person is required when booking. Payments to SCVC by usual means. Menus will be available nearer the date for meal selections.
