FURTHER INFORMATION:

New for 2025, the Surrey Classic Vehicle Club has been invited to Waverley Abbey for Father's Day.

Waverley Abbey in Surrey was the very first monastery founded in Britain by the reforming Cistercian religious order. A small group of monks from France settled in this quiet spot by the River Wey in 1128, and Waverley soon became the springboard for Cistercian settlement in southern England. The impressive remains include the fine 13th century vaulted refectory or dining hall for the lay brothers, the Cistercians' labour force.

Don't miss the chance to see Waverley Abbey's impressive Yew, a spectacular ancient tree growing in the grounds. Whilst its exact age is unknown, it is likely to have watched over the abbey grounds since shortly after the Dissolution of the Monasteries in 1536.
